

The Little Voice

Recognizing Child Abuse and Your Duty to Report It

The little voice tells you, something isn't right

The little voice wakes you and keeps you up at night.

The little voice makes you look at the bruises on my arm

The little voice makes you wonder, who would do me harm?

The little voice grows louder as each day passes by

The little voice makes you notice each tear that I don't cry

The little voice speaks out loud because it knew it was right

The little voice belonged to you and it saved my life.
