

In Texas:

- **39%** of Texas residents are of Latino descent
- **6 million** Texas residents speak Spanish
- Texas and Mexico share **1,254 miles** of common border and **28** international bridges and border crossings

SPANISH

FOR LAWYERS

The goal of TYLA's Spanish for Lawyers is to provide **FREE** materials that teach basic legal Spanish concepts that are necessary to effectively advocate for Spanish-speaking clients. By giving Texas lawyers access to a series of professional lectures, written assignments, and various English-to-Spanish translated legal resources, we hope to prepare practicing lawyers for client meetings, conference calls, and other attorney-client meeting scenarios.
